Date: December 27, 2012

FOR VALUE RECEIVED, PBR BEVERAGE INC., doing business at 22 Stony Hollow, Chappaqua, New York 10514, hereinafter referred to as "MAKER", and BUHRE BEVERAGE DIST, INC., a New York corporation having its principal offices at 650 Brush Road, Bronx, New York 10465, hereinafter referred to as "PAYEE", do hereby acknowledge that the MAKER agrees to pay the principal sum of NINE HUNDRED THOUSAND (\$900,000.00) DOLLARS with interest as follows:

In consecutive monthly installments of NINE THOUSAND SEVENTEEN DOLLARS AND TWENTY-NINE CENTS (\$9017.29) commencing on _____, 2013, the date that is ninety (90) days from the date of the Company Closing, and thereafter paid on the ___ day of each month for a total of ONE HUNDRED AND FORTY-FOUR (144) consecutive months, to be applied first to interest at a rate of SIX AND ONE-HALF (6.5%) PERCENT per annum, balance in reduction of principal, until fully paid.

Except as otherwise provided herein, the entire sum of \$900,000.00 together with fees and interest due thereon shall be paid in full no later than _____, 2025.

The Contract of Sale executed simultaneously herewith between PAYEE, as Seller, and MAKER, as Purchaser, identifies the term "Company Closing". As used therein, and incorporated herein by reference, this Promissory Note will be amended at the Company Closing by specifying: the first Promissory Note payment, which will be due on a specified date ninety (90) days after the date of the Company Closing; the due date of each successive monthly payment; and, the final payment due date.

1. MAKER and the PAYEE each hereby waive trial by jury in any action or proceeding arising on, out of, under or by reason of this Note.

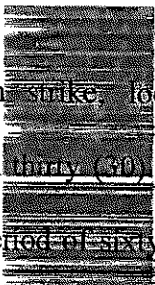

2. The MAKER hereby waives notice of presentment for payment, demand for payment, except as provided in paragraph 4, notice of non-payment and dishonor, protest and notice of protest.

3. If this Note is not paid when due and if it is placed with an attorney for collection, the MAKER hereby agrees to pay all reasonable and actual costs and expenses of collection incurred by the PAYEE plus a reasonable attorney's fee which shall be applied to the amount due under this Note and recoverable with the amount due hereunder. For every notice of default PAYEE's attorney sends to the MAKER, MAKER shall be obligated to pay a legal fee of \$150.00. If the PAYEE accepts a payment despite knowing that MAKER has breached a provision of this Note, the PAYEE shall not be deemed to have waived the right to obtain a remedy for such breach, to the extent the breach remains uncured following such payment. Payment by MAKER or receipt by the PAYEE of a lesser amount than the amount(s) then due shall be deemed an "on account" payment of the earliest monthly payment or additional amount then unpaid. No endorsement, statement on any check, or any letter accompanying a check or payment shall be deemed to be an accord and satisfaction. The PAYEE may accept such check or payment without prejudice to the PAYEE's right to recover the balance due, or pursue such other remedy as provided in this Note or available at law.

4. The MAKER and the PAYEE each hereby expressly and unconditionally agree that if any payment required hereunder is not paid on or before the tenth (10th) day after the due date, MAKER will pay, if charged by PAYEE, a "late charge" of four (4) cents for each dollar so overdue. Upon the occurrence of a default, the arrearages, and costs of collection shall immediately become due and payable in full, if the default is not

cured, stayed, or dismissed not later than FIFTEEN (15) days after the PAYEE gives notice of such default by certified mail, return receipt requested. Furthermore, the MAKER shall pay the sum of ONE HUNDRED AND FIFTY (\$150.00) DOLLARS to the attorney for the PAYEE as a legal fee in connection with the mailing of each notice of default. Each of the legal fees shall be due and payable not later than the next monthly note due date. Failure to pay a late fee shall be deemed to be a default.

5. In the event of a strike against The Pepsi-Cola Bottling Company of New York, Inc. or its successor or assign (the "COMPANY"), which prevents the MAKER from securing beverages for distribution, or in the event of an interruption of the supply of beverage products through no fault and not within the control of the MAKER, the payment of this Note herein shall be suspended during the pendency of such strike or interruption for the following periods:

(a) In the event such  or interruption against the COMPANY lasts no longer than ~~thirty (30)~~ days, all missed payments shall be repaid to the PAYEE within a ~~period of sixty (60)~~ days from the date the strike, lockout or interruption ends, and MAKER's truck is loaded with product. Interest shall not be charged for the moratorium period.

(b) In the event a strike, lockout or interruption exceeds thirty (30) days, then the term of the note shall be extended by a period equal to the number of monthly payments deferred during the strike or interruption. Deferred installments shall be paid monthly, commencing one (1) month after the last installment payment due pursuant to the Note. The Security Agreement executed

at closing shall be extended by a period equal to the number of deferred monthly Note payments. Interest shall not be charged for the moratorium period.

6. The MAKER may desire to: (i) convey all or a portion (a "Route Portion") of the distribution territory set forth in Exhibit A annexed hereto and made a part hereof (the "Territory") to another distributor approved by the COMPANY; and (ii) assign this Note to such transferee. MAKER may only do so pursuant to the terms of this paragraph and paragraph 7:

(a) When MAKER intends to sell all or part of the distribution route, MAKER will advise the PAYEE of his intention to sell, notifying PAYEE of the name, address, and Employer Identification Number of the proposed corporate MAKER, and the name, date of birth, social security number and home address of the principal shareholder(s) of the proposed corporate maker (jointly "New MAKER").

(b) Not later than five (5) days prior to closing, MAKER shall provide the PAYEE with a copy of the UCC filing receipt for the New MAKER, and a copy of the judgment and lien search upon the New MAKER.

(c) Not later than thirty (30) days prior to closing upon a Route Portion, MAKER shall provide to PAYEE the map and territorial description of the Route Portion. In addition, MAKER shall provide PAYEE with a sworn statement as to the number of cases sold within the Route Portion and the Territory in the prior year, and MAKER shall annex thereto a computer printout prepared by the COMPANY identifying the cases sold in the Route Portion and the Territory during the year prior to closing ("Re-sale Statement").

(d) In the event of the transfer of a Route Portion, the Note principal balance to be assumed by the New MAKER shall be determined by a fraction, the numerator of which shall be the cases sold by the MAKER in the Route Portion during the year prior to closing, and the denominator shall be the cases sold in the Territory during the year prior to closing. Said fraction shall then be used to determine the amount of the Note principal balance to be assumed by the New MAKER ("New MAKER Principal Balance"). For example, if the MAKER represents in the Re-Sale Statement that the MAKER sold 25,000 cases in the Route Portion during the year prior to closing, and 125,000 cases for the Territory, then New MAKER shall assume the principle balance equal to one-fifth ($25,000/125,000$) of the then existing principle balance due upon this Note pertaining to the Territory between MAKER and PAYEE. If at the closing with the New MAKER, the principal balance due upon this Note between MAKER and PAYEE is TWO HUNDRED THOUSAND (\$200,000.00) DOLLARS, then by multiplying one-fifth by \$200,000.00, the New MAKER Principal Balance can be calculated to be FORTY THOUSAND (\$40,000.00) DOLLARS ($1/5 \times \$200,000.00$). At closing MAKER, PAYEE, and New MAKER will execute an agreement commonly referred to as a "Wraparound Agreement" whereby the New MAKER will agree to assume the FORTY THOUSAND (\$40,000.00) DOLLAR principal balance, and will simultaneously execute a promissory note to that effect, subject to the same terms as set forth in this Note between MAKER and PAYEE ("Old Note"). As a result, the Wraparound Agreement will reflect

that the Old Note shall be amended to reflect the assumption of the NEW MAKER Principal Balance by the New MAKER.

(e) In the event of a buyout by the COMPANY, the provisions of section 7.00 et. seq. shall supercede the provisions of section 6. et. seq.

(f) As a condition to the assumption of the NEW MAKER PRINCIPAL BALANCE by the NEW MAKER, at or before closing, MAKER shall pay PAYEE any outstanding amounts due and owing (including but not limited to expenses hereinafter referred to as "Outstanding Arrearages": defaults, late fees, bounced check fees, unreimbursed fees incurred by PAYEE, attorneys fees). MAKER must also pay any legal document preparation fees incurred by PAYEE not to exceed SEVEN HUNDRED AND FIFTY DOLLARS (\$750.00), and in addition thereto, MAKER shall pay an appearance fee of SEVEN HUNDRED AND FIFTY DOLLARS for each appearance at a closing or rescheduled closing by the attorney for the PAYEE. MAKER shall additionally be liable for all reasonable filing fees incurred by the PAYEE.

(g) As further consideration for the PAYEE's agreement to allow MAKER to convey to NEW MAKER, at or before closing, MAKER herein must pay the PAYEE the sum of TWENTY-FIVE THOUSAND (\$25,000.00) DOLLARS in reduction of the principal balance then due ("Resale Payment"). The Resale Payment shall be in addition to of any Outstanding Arrearages. If the total of the Outstanding Arrearages and the Resale Payment exceed the Note principal balance with interest, then MAKER shall first pay the Outstanding

Arrearages, with the balance to be paid to satisfy the remaining Note principal balance with interest through the date of satisfaction.

7. The parties hereto recognize the need to agree upon a settlement procedure to be utilized in the event that prior to the satisfaction of the Note, the Distributor Agreement expires, and MAKER is not permitted by the COMPANY to operate the distributorship in the Territory. For the purpose of this paragraph, payments made by the COMPANY to purchase MAKER's rights to the route, for a restrictive covenant pertaining to MAKER's principal officer, or any other payments directly or indirectly to MAKER or MAKER's principal officer, or MAKER's successors or assigns, for the extinguishments or release of rights held by MAKER relating to the Distributor Agreement then in effect between MAKER and COMPANY, shall be considered to be part of the BUYOUT PAYMENT as used herein. Payments to MAKER for vending equipment, vehicles, or other equipment shall be included in the calculation of the BUYOUT PAYMENT only to the extent that such payments exceed the fair market value of such equipment. In the event that the COMPANY purchases from MAKER the rights which MAKER possesses to distribute PRODUCTS pursuant to the Distributor Agreement then in effect, MAKER agrees to pay to PAYEE the principal balance of this Note with interest, fees, and expenses ("TOTAL BALANCE") then due PAYEE subject to the following terms:

(a) In the event that the payment by the COMPANY is to be pursuant to certain terms (i.e. payment of x years, principal payment without interest, etc.), the PAYEE agrees to accept further payments based upon the BUYOUT terms to be paid to the COMPANY.

(b) If permitted by the COMPANY, MAKER shall direct the COMPANY to pay directly to the PAYEE, the amounts due PAYEE.

(c) MAKER and PAYEE hereby agree to execute the documents and/or authorizations required by the COMPANY, and to close in a timely manner with the COMPANY in the event of a COMPANY buyout. As part of PAYEE's rights pursuant to this paragraph, MAKER agrees to provide PAYEE with a copy of the final COMPANY proposal within not later than forty-five (45) days prior to the BUYOUT closing scheduled by the COMPANY.

(d) The parties recognize that notwithstanding the provisions of this paragraph, PAYEE has made no representations that the COMPANY will make an offer to purchase the distributorship. It is further acknowledged that the COMPANY may not extend the term of the current Distributor Agreement, and accordingly, the rights to operate the distributorship being conveyed may expire without a BUYOUT prior to the satisfaction of this Note. In the event that the distribution rights expire, the MAKER is not permitted to operate the distributorship, and MAKER receives no BUYOUT PAYMENT, subject to the provisions of paragraph 7(e), MAKER shall only be obligated to pay PAYEE the principal, interest, and fees due through the last day that MAKER operates the route. As used herein, the term MAKER shall include any agent or successor in interest to the MAKER.

(e) If MAKER, MAKER's principal officers, or MAKER's successor or assigns (jointly referred to as "Plaintiff") files a claim or commences litigation against the COMPANY relating to the Distributor Agreement, and Plaintiff

obtains a settlement or judgment, then subject to the provisions of paragraph 7.00 et. seq., Plaintiff shall be obligated to pay PAYEE the TOTAL BALANCE then due and owing, in addition to fees and expenses reasonably incurred by PAYEE prior to, or in the course of such claim or litigation and/or settlement. The provisions of paragraph 7.00 et. seq. shall be applied based upon the proceeds derived by the MAKER after the payment and/or reimbursement to the MAKER of its reasonable litigation costs. Pending judgment award or settlement, if MAKER is prevented from operating the route as set forth in paragraph 7.00 et. seq., MAKER will be required to make the Note payments due for the month in which MAKER's operation was terminated. Thereafter, MAKER will not make further note payments until the successful execution upon such a judgment, award, or settlement.

8. This Note is secured by a loan Security Agreement made by the MAKER, as mortgagor, to the PAYEE of mortgagee on even date, encumbering among other assets the MAKER's distributorship business described in the territorial map attached hereto.

9. This Note may be prepaid at any time and from time to time without penalty, in ONE THOUSAND (\$1,000.00) DOLLAR increments, and to be paid in reduction of principal in inverse order. Interest upon said prepayment shall be due as of the date of payment, and shall be paid simultaneous with the prepayment.

10. Nothing contained in this Note or in any other agreement between the MAKER and the PAYEE requires the MAKER to pay, or the PAYEE to accept interest in an amount which would subject the PAYEE to any penalty or forfeiture under applicable law. In no event shall the total of all charges payable hereunder, whether of

interest or of such other charges which may or might be characterized as interest, exceed the maximum rate permitted to be charged under the laws of the State of New York. Should the PAYEE receive any payment which is or would be in excess of that permitted to be charged under said laws, such payment shall have been, and shall be deemed to have been made in error and shall automatically be applied to reduce the principal indebtedness outstanding on this Note.

11. This Note may not be modified except and only by a written instrument executed by the party to be charged therewith in the same manner as this Note has been executed.

12. This Agreement may be executed in one or more counterparts, any of which may be transmitted by facsimile or other electronic method, each of which shall be deemed an original, but which together will constitute one and the same instrument.

13. This Note shall be governed by and construed in accordance with and pursuant to the laws of the State of New York.

14. The MAKER acknowledges that this Note constitutes a valid and binding indebtedness for NINE HUNDRED THOUSAND (\$900,000.00) DOLLARS.
